

A. CONTACT US TO SIGN UP FOR A CUSTOM SONG

Contact us by [email](#) to sign up for a custom song. We will be happy to answer any questions that you have.

B. FILL OUT THE QUESTIONNAIRE

After you've signed up for a custom song, we'll send you a questionnaire for you to fill out and email back to us. The lyrics will be written from scratch, based on your answers. The questions are a tool for us to get to know the person we're writing about. We don't simply insert dates, names and minor details such as eye color and hair color into an existing song. In fact, we've found the more personal you get in your answers, the better we can write a song that will capture the personality and spirit of the person featured in the song. Feel free to tell us more than we ask for...the more information you can provide the better sense we will have of the person being honored. Please provide pronunciation of names or places if unusual.

C. CHOOSE MUSIC

We have lots of fabulous original music in a variety of styles that you can choose from. Follow this link to hear samples: <http://www.songlegacy.com/samples.html> Most of our songs are approximately 3 minutes in length. Though the lyrics in the samples may be aimed at a different occasion than your song, you can still get a sense of the mood and melody from these samples. Please enter your song selection in the last line of the questionnaire.
